A STANDARD HISTORY BY

GEN. LEE.

A Work of National and Permanent Value.

MEMOIRS OF THE WAR,

By Gen. Henry Lee.

("LIGHT HORSE HARRY")

Thoroughly Revised and Annotated,

BY GEN. ROBERT E. LEE.

WHO HAS ADDED A FULL BIOGRAPHY OF HIS FATHER.

I vol. octavo, 640 pages, with new Steel Portraits of Gen. Henry Lee, Gen. Robert E. Lee, and Gen. Nathaniel Greene; beautiful Steel Engravings of "Marion crossing the Pedee," and the "Surrender of Cornwallis;" Maps of the Siege of Charleston, S. C.; the siege of Yorktown, Va.; the Battle fought near Camden; the Battle of Guilford; the Battle of Robkirk's Hill; and a sketch of Gen. Henry Lee's residence.

This admirable history of the operations of the American Armies during the Revolutionary War in the Southern Department of the United states, is the standard work on the subject of which it treats; and this new edition, revised, corrected, and eplarged by Gen. Robert E. Lee, the distinguished son of the author, and embellished by elegant Engravings, and original Maps never before published, is a volume of the highest value to every intelligent person.

This history has been for a long time out of print, and because of the accuracy as a history of that interesting period and that there was no work to supply its place, it was much sought for and a new edition demanded.

It is seldom that a historical work by a distinguished author has the advantage of a revision by so distinguished a son, and both of them great military leaders in the same section of the country.

Gen. Lee receives a LARGE COPYRIGHT UPON EVERY COPY OF THE BOOK SOLD. Sold only by subscription.

PRICE:—Handsomely bound in Cloth, $4 00.

WEDNESDAY, DECEMBER 15, 1869.

INCONSISTENT AND PUSILLANIMOUS.

No honest man can suppress a feeling of indignation at the pusillanimous and inconsistent conduct of the Governor and his Treasurer, in regard to the fraud investigation, as shown in the following correspondence.

EXECUTIVE DEPARTMENT,
Raleigh, Dec. 7th, 1869.

To the Speaker of the House of Representatives:

SIR:—I beg leave to enclose herewith a communication from David A. Jenkins, Esq., State Treasurer. I am satisfied that this officer is ready and willing to put the General Assembly in possession of any and all information that may be in his possession in relation to the State finances, but I concur with him in his declining to appear before the House to be interrogated, as such a course would be unusual, and might be regarded as an invasion of the rights under the Constitution of a separate, co-ordinate department of the government.

I have the honor to be,
Very respectfully,
Your obedient servant,
W. W. HOLDEN,
Governor.

STATE OF NORTH CAROLINA,
TREASURY DEPARTMENT,
Raleigh, Dec. 7th, 1869.

To the Speaker of the House of Representatives of North Carolina:

SIR:—I have just received a letter signed John H. Boner, Clerk of the House, requesting me to appear immediately before the House of Representatives. I am prepared, as State Treasurer, at all times to lay before the General Assembly such information as may be in my possession. I am ready at any time to answer such questions as a Committee of the General Assembly may propound to me; but I respectfully decline to appear before the House in Committee of the Whole to be interrogated.

I have the honor to be,
With high respect,
Your obedient servant,
D. A. JENKINS,
State Treasurer.

The State upon the very verge of bankruptcy—charges of fraud and corruption of the most damning character, which go to blacken every man connected with Gov. Holden's administration, openly and publicly made, not alone by the opponents of his administration, by many who have supported it,—the Treasurer having appeared once before the investigating committee, now throws himself back upon his official dignity, and, finally, under the advice of his chief, actually refuses to go again before the Legislature to answer concerning what he knows of the financial frauds which threaten to, and have well nigh engulfed and ruined the people and the State; her credit and her good name!

The Treasurer, without impairing or compromising his dignity, had once appeared before the Committee of the Whole; but there were some troublesome questions he did not foresee, the answers to which would have thrown too much light on the subject of investigation; but, happily, his friend, Mr. Moore, of Chowan, came to his relief and saved him from his difficulty, by raising objections and introducing debate, until time for the Committee to rise. It would not do for Mr. Treasurer Jenkins to put himself into such a predicament a second time. But, how avoid it? The Governor comes to the rescue, and forbids the Treasurer appearing again before the Committee of the Whole, putting the refusal on the ground of "the dignity, and the constitutional rights and privileges of a co ordinate branch of the Government!"

The Governor's short message contains a palpable "not so." David A. Jenkins is not a co-ordinate branch of the Government. The departments of the Government are three only—Executive, Judicial and Legislative. Jenkins is nothing more than a Clerk; he has no rights, orders or privileges, such as belong or pertain to the high prerogatives of Government. Can the Governor name the clause in the constitution which exempts the Treasurer from appearing before the Bar of the House, when summoned? When did this aristocratic idea enter the minds of our Governor and his Treasurer? We know they both used to belong to the "slave aristocracy" but we cannot see how that gives them immunity in this matter. We thought the Governor's and Treasurer's aristocratic rights, privileges and immunities had perished with the death of slavery, and that they were now "men of the people." Instead of this, however, they appear to claim affinity with "the privileged classes."

Away, we say, with such stuff and nonsense—such dodging and subterfuge, when they come in the way of the swift and speedy detection of fraud and swindling and corruption. Let all such flimsey pretens as to dignity die, when an honest investigation requires it for the exposure of crime and mismanagement; and when the integrity and, hitherto, untarnished honor of the State is at stake.

No man, it strikes us, who desires a full, fair, and honest investigation of the crippled financial affairs of our State, would dodge behind such flimsy and transparent subterfuges as "official dignity" to avoid giving whatever information he could on the subject. This is simply a private opinion, and may be erroneous, yet we honestly entertain it.

The Legislature of North Carolina.

NIGHT SESSION.
HOUSE OF REPRESENTATIVES.
MONDAY, Dec. 13, 1869.

Mr. Pou arose to a question of privilege, and said that, while the bill "to empower committees of investigation to enforce the attendance of witnesses," had passed the Senate, yet the same had not been enrolled for signature; consequently no witnesses had been empowered. He therefore was prepared to adjourn.

Mr. Moore of Chowan, moved to suspend the rules in order to put on its passage the resolution to appoint a Committee of five to take charge of the examination pending before the Committee of the Whole.

After some debate Mr. Moore, of Chowan, called the previous question on the motion to suspend the rules, which was agreed to.

The rules were suspended and Mr. Sinclair's resolution was taken up, viz:

"*Resolved* That a Committee of five be appointed by the Speaker, and the same is hereby charged with the management of the examination of the State's interest in the Railroads now pending before the Committee of the Whole of this House.

The report of the special committee of five was read, offering the following substitute:

"*Resolved* 1st. That a committee of five be appointed by the Chair to act as managers to conduct the examination of the whole in the investigation now pending.

2d. That all questions shall be written and handed to said committee of managers who shall propound the same, any member having a right to object to any question; and its admissibility shall be determined by the chairman, subject to an appeal to the Committee of the Whole."

Mr. Welch moved to strike out in the second resolution the words "subject to an appeal to the Committee of the Whole."

Mr. Moore of Chowan, moved the previous question. Carried.

The amendment of Mr. Welch was then rejected. Yeas 35, nays 37.

The substitute was agreed to, and the resolutions were adopted, and the House adjourned.

SENATE.

The Senate was called to order at 10 o'clock.

C. R. R. Company; resolution relating to the penitentiary bonds, and the bill to amend an act to provide for a system of public instruction, with amendments.

TRANSMITTED FROM THE HOUSE.

The following bills came from the House and were referred to appropriate Committees to-wit: bill to amend the Charter of the Western N. C. R. R. Company and the several acts amendatory thereto; bill to amend title 20, Chapter 1, Section 476 of the Code of Civil procedure; bill in favor of the Sheriffs of Rutherford and Polk counties; resolution in favor of J. R. Grady, Sheriff of Harnett county, and the bill making an appropriation of $46,000, to the Deaf, Dumb and Blind Asylum.

RESOLUTION.

Resolved, That, our Senators and Representatives in Congress be instructed to use their influence to have the Banking privileges so increased, that there may be more Banks established in the Southern States, that our people may be benefited thereby, which was adopted.

UNFINISHED BUSINESS.

Bill to secure the return to the public Treasury the bonds issued to the Chatham Railroad Company.

Mr. Cook, withdrew his motion to postpone its further consideration to the third Monday in Jan. 1870.

Mr. Jones of Mecklenburg, moved that the bill be referred to the Committee on the Judiciary with instructions to report whether or not by the terms of this bill the State postpones or surrenders any mortgage or other lein she may now have on the franchise or property of the Chatham Railroad, which was adopted by the following vote: Ayes 28, nayes Messrs. Bellamy, Burns, Blythe, Galloway (col), Hayes, Jones, of Columbus, Jones, of Wake and Legg—8.

SPECIAL ORDER.

TRANSMITTED FROM THE HOUSE.

Bill making an appropriation of $60,000, to support the Insane Asylum and to make certain improvements thereon, was placed on the calendar, and the bill to allow enterers of vacant lands further time to obtain grants thereon, was referred.

CALENDAR.

Resolution in relation to the several Sheriffs of the State, requiring the Auditor to move for judgment against any delinquent Sheriff at the special term of the Superior Court to be held at Raleigh on the 4th Monday of this month.

A. H. Galloway col., moved to lay the resolution on the table, which was lost.

YEAS.—Messrs. Boseman, Brogden, Blythe, Cherry, Davis, Eppes col., Galloway col., Harrington, Hyman col., Lassiter, Legg, Lindsay, Moore, of Yancey, Scott, Smith and Winstead.—16.

NAYS.—Messrs. Beall, Beasley, Bellamy, Burns, Colgrove, Cook, Etheridge, Forkner, Hayes, Jones, of Mecklenburg, Jones, of Wake, Love, Mason, Martindale, Meleor, Moore, of Carteret, Murphy, Respass, Sweet, Welker, White and Wilson.—22.

J. A. Hyman col., moved to refer the resolution to the Committee on Finance.

Mr. Love, opposed the motion to refer and urged immediate action on the resolution, it would be no relief to the people to postpone it any longer as they were not so delinquent as the Sheriffs themselves, who had collected this tax and were holding the money, not paying scarcely, a tithe of that which they have already collected from the people into the Treasury. He had it from good authority that there were four Sheriffs who now owed $100,000, to the Treasury, and he had heard of one who had paid nothing, and who had collected $20,000, and was holding it in order to speculate, and he was the chief mover in calling a conference of the several Sheriffs in order to induce them to combine and employ counsel in order to stave off judgment to the longest period. He hoped the Senate would see the necessity of passing the resolution at once.

Mr. Respass, (Republican) said he introduced the resolution at the request of the Treasurer, who had given him evidence, sufficient to convince any one that this was the proper course to pursue. Some Senators make a great noise and hubbub when matters of this character are brought up for consideration in order to make party capital at home; but the time had come when some one should take the responsibility and face the music regardles of partizan considerations, and he was ready for one to raise his voice against the impositions practiced by certain sheriffs on the burthened tax payers of the State. He was tired of seeing them grind the taxes out of the people and put them into their own pockets in order to keep their fine horses and sporting carriages. He had been informed by the treasurer that the sheriffs of two Counties Wake and New Hanover were indebted to him at least $51,000, and the Sheriff of Wake alone about $35 000, it was time this state of things was stopped, and if it was not done speedily it might be too late, he hoped the reference would not be made.

A. H. Galloway, col., and Mr. Brogden opposed the resolution.

Messrs. Welker and Robbins urged its adoption in short but forcible speeches.

Mr. Etheridge called the previous question which was sustained and the resolution was adopted by the following vote:

YEAS.—Messrs. Beall, Beasley, Boseman, Bellamy, Colgrove, Cook, Etheridge, Forkner, Jones, of Mecklenburg, Lassiter, Legg, Lindsay, Long, Love, Mason, Martindale, Melchor, Moore, of Carteret, Respass, Robbins, Sweet, Welker, Winstead and Wilson—24.

NAYS.—Messrs. Brogden, Burns, Blythe, Cherry, Davis, Eppes, col., Galloway, col., Hayes, Harrington, Hyman, col., Moore, of Yancey, Murphy, Scott, Smith and White—15.

On motion of A. H. Galloway, col., the rules were suspended and the bill fixing the *per diem and mileage* of doorkeepers was taken up and passed its second reading.

Mr. Winstead from the Committee of Conference on the resolution requesting the Representatives of this State in Congress to use their influence to secure the removal of the U. S. direct tax on real estate and to refund the tax already collected, made a report asking the Senate to recede from its amendment, (which was to reinsert back tax).

Mr. Walker moved an indefinite postponement of the whole matter, which motion was lost—by the following vote. Ayes Messrs. Beasley, Bellamy, Burns, Cook, Cherry, Galloway (col), Jones, of Columbus, Lindsay, Long, Moore, of Carteret, Respass, Smith, Welker and White—13. Nays 21. And the report was concurred in.

On motion the Senate adjourned until to night at 7½ o'clock.

On motion of B. W. Morris, (col) the the rules were suspended and the bill punishing slander, was taken up, amended and passed its second reading. The yeas and nays being called the bill passed its third reading by a vote of yeas 59, nays 33.

A message was received from the Senate transmitting various bills and resolutions which were appropriately disposed of.

Mr. Hinnant, for Committee on Enrolment, reported various bills and resolutions as being correctly enrolled.

SPECIAL ORDER.

Bill to lay off and establish a new county by the name of Dare. [This proposed county is to be formed from portions of Hyde, Currituck and Tyrell.]

Mr. Jarvis, in a speech of some length, opposed the bill. One of the chief grounds of his oppositions was that he knew that people of the counties to be dismembered were all opposed to the measure, as petition after petition, presented to this House, could testify. Mr. J., after a quite lengthy argument, concluded by moving to postpone the bill indefinitely.

Mr. Moore, of Chowan, favored the bill and spoke at length in advocacy of it.

Mr. Ragland opposed the bill.

Mr. Farrow also opposed the bill in remarks of some length.

After a long debate Mr. Jarvis called the previous question upon his motion to indefinitely postpone.

The call was sustained and the motion to indefinitely postpone was adopted by the following ballot:

YEAS.—Allison, Armstrong, Baldin, Cawthorn, Cherry, Clayton, Crawford, Davis, Durham, Ellis, Farrow, Forbes, Gibson, Green, Grier, Harris, of Franklin, Hawkins, Hicks, Hilliard, High, Hinnant, Hodnet, Humphries, Jarvis, Kelly, of Davie, Kelly, of Moore, Leary, Long, of Chatham, Long, of Richmond, Malone, Matheson, Mayo, McMillan, Mendenhall, Nicholson, Painter, Pou, Proffit, Ragland, Shaver, Smith, of Alleghany, Smith, of Wayne, Sweat, Thompson, Welch, Williams, of Harnett, Williams, of Sampson, Williamson.—Yeas 49.

NAYS.—Ames, Ashworth, Barnett, Blair, Candler, Carson, Cary, Dixon, Downing, Eagles, Edington, Forkner, Franklin, Gahagan, Gilbert, Graham, Gunter, Horney, Hudgings, Ingram, Justus, of Henderson, Justice of Rutherford, Kinney, McCanless, Moore, of Chowan, Morrill, Morris, Proctor, Renfrow, Robbins, Robinson, Reynolds, Seymour, Siegrist, Simonds, Smith, of Martin, Snipes, Stanton, Stevens, Sykes, Vest, White, Wilson.—Nays 43.

Mr. Jarvis moved to reconsider the vote just taken.

Mr. Farrow moved to lay it on the table.

The yeas and nays being called the motion was adopted by a vote of yeas 48, nays 47.

By Mr. Gunter: A bill in favor of the Sheriff of Chatham. Referred.

By Mr. Seymour: A bill in relation to the public library. Referred.

By Mr. Justice: A bill concerning the government of counties. Lies over.

On motion the House then adjourned.

REMARKS OF W. H. MALONE OF CALDWELL CO.,

In the House of Representatives on the proposition to raise a Committee of investigation into alleged frauds, in the management of certain Railroad Companies, on 6th Dec 1869.

MR. SPEAKER:—The last session of this General Assembly made extravagant appropriations to certain Railroad Companies, the faithful and honest application of which might have brought relief to our distressed people, in the developement of the industrial resources of the State.

The report of the Treasurer submitted this session, shows the stock owned by the State in Railroads and other corporations to be the sum of $21,707,500. If this stock, was worth its nominal value the State would have a *resource* upon which she could depend for the purpose of paying her debts. It would seem, that a State having such a stupendous amount of stock in Railroads would have such a basis for capital, that her credit would stand pre-eminently high in all parts of the nation. But 12,600,000 of this stock were taken under the authority of the acts of this General Assembly, last winter; and the Roads not being built, of course the stock is worthless.

In order to show the necessity of rigid economy and a strict investigation in all frauds upon our rights, let us for a moment look at the indebtedness of the State, which is made up as follows:

The "old debt,"	$17,215,045.
New debt (special tax bond) (issued)	12,600,000.
Bonds (special tax) not issued,	4,280,000
Total,	$34,095 045.

Now let it be remembered that most of this enormous debt is the result of the State taking stock in Railroads. This stock is obtained by the issuance of bonds to be managed by a board of Directors, appointed by the Governor. Now, these Directors have extraordinary powers, and if they prove unfaithful in the management of these bonds, our stock may become worthless, and the Roads remain unfinished, while a still greater disaster befalls us, a *destroyed credit*, which, to a State, is as precious as virtue to a woman.

The interest on the special tax bonds now being collected, amounts to $756,000, a sum largely more than the present expenses of the State government. And of the 12,600,000 tax bonds, $7,000,000 go into the hands of *one man with almost unlimited control*. The tax to be paid on the bonds controlled by *one* man is the sum of $420,000, which is more than two thirds of the expenses of the State government with all its abuses and extravagance. Surely this great interest, controled by a few men, should be guarded with great vigilance by this General Assembly.

And while it is true, that the work is progressing to a limited extent, on some of these Roads, yet comparatively little has been done, although bonds have been issued sufficient to build every Road contemplated in the State. Our credit has gone down, down,—the fair name and fame of the old State of North Carolina have become a "reproach" and "by word" in the commercial centres of the world.—Why is all this? The constitution adopted and ratified by the people, guarantees the good faith in the payment of the public debt—legislative enactments—resolutions of all parties declaring the inviolability of the public debt, yet strange to say our *credit grows daily worse*.

I must say that much of this result is from the unwise legislation of this General Assembly. Never before in the history of any State, was such *recklessness* known. Here are $7,000,000 of bonds issued to *one man, without security—without pledges, and with out a guarantee* that the Road will ever be built—to another, is authorized $4,000,000 with like objection. On the passage of these bills, I had the honor to offer certain *amendments* providing, that these bonds should issue in limited quantities, and at stated periods, when the progress of the work required their application.

But these amendments were repudiated and scouted by a majority of this House as a proposition nonsensical, and absurd.—And parties on this floor threatened to kill every Road in which my people were interested if I insisted on such amendments.

True, I voted for most of these bills, but *under protest* of this kind—I did so, in order to obtain support for Roads in which my people felt great interest.

But of course, it was contemplated, that these bonds should be thrown on the market in a prudent way—that the proceeds should be *honestly applied*.

Had this been done, the people would have cheerfully submitted to the burden of taxation, in the hope of seeing the country rise from prostration and lethargy to activity and enterprise. We would gladly have paid the taxes in the hope of getting them back in the rapid growth and development of all the resources of the State. We could hope from the faithful application of this vast sum, to see the whole country roused to a spirit of industry and perseverance, and could flatter ourselves on the high road to prosperity and greatness; and could anticipate some of the happy "victories of peace." But instead; *doubt, and distrust pervade the whole State.*

It is said that a mighty "Railroad Ring" has been organized for the purpose of speculating on the bonds of the State. Propositions have been introduced here to investigate the management of the Directors on these several Railroads.

Why not do it? Have we not the right to require these men to show to this House what they have done with these bonds—to whom they have been sold, and at what price? Shall we allow a confederation of speculators to destroy the credit of the State, and bring poverty and prostration on the people? These Directors on the part of the State are but the agents of the State; and if they have transcended their power, or been guilty of fraud, we should hold them to a strict account.

It is a familiar rule of law, that an agent or trustee, cannot apply the means entrusted to his care to his personal benefit without impeachment for fraud and bad faith. The President of one of these Roads who should convert a single bond to his individual benefit, is guilty of fraud. And, especially, if he should enter into a combination to speculate on these bonds he should be considered guilty of the grossest conceivable fraud, and should be held up to the public gaze as unworthy of the trust reposed. In days gone by, if an honest public man was charged with the violation of any official trust, he would *demand* a Committee of investigation, in order to vindicate his innocence, *but very different now.* Look at these Railroad officials; beholding charges of fraud and mismanagement in almost every paper in the State, and from almost every citizen of the State, yet they publish no denial—they do not demand an investigation—they do not make an official report as required by law, in order that the condition of these Roads could be fully known. I ask if this is not a circumstance of suspicion? Does it look like the conduct of the honest man who intends to vindicate himself?

The law requires the Presidents of these Roads to report to this General Assembly, through the Superintendent of Public Works, the exact condition of these corporations. Have they done so? Already this investigation has resulted in showing a failure in this respect; and the proof of this officer shows that they have even refused to allow him to inspect the Roads—that they have actually *concealed* from him all the transactions pertaining to these Roads. This, too, with the full knowledge of the law, and of the duties of the Superintendent of Public Works.

Mr. Speaker, we hear of "whisky rings," "gold rings" and "penitentiary rings," but the grandest swindle of the age is the "railroad ring." The monstrous frauds of these corporations, have become one of the greatest evils of the times. Look at the stupendous frauds in the Great "Central Pacific Road" amounting to millions. But a few days ago, the Directors of the great "Erie Railroad" of New York were enjoined from proceeding on the application of a shareholder and creditor; the allegation being that forty millions of dollars were not accounted for, by this swindling Directory. And in North Carolina, it seems that a *mania* has seized a *few*; who being dazzled with the glittering prospects of gaining millions of dollars, are determined to disregard the vital interest of the people—who intend to revel in luxury and opulence at the expense of a people, already oppressed, downtrodden, and humiliated.

And now, when we propose in the "Committee of the Whole," to investigate these frauds, "is it not strange that members on this floor throw obstacles in the way—that they would resort to every species of tactics to defeat a full, fair and honest investigation?"

But this investigation must be had. We shall hold this Legislature, and the dominant party in this House, up to the scorn and condemnation of an indignant public opinion, if they fail to do their duty in the premises.

The interest involved is too vital and momentous to admit of dubious action. The bonds issued to these Railroad Companies belong to the people of the State,—they are paying over a half million dollars, annually to meet the interest on these bonds—this must continue from year to year, and finally the principal must be paid. *Now, will we submit to the manipulations, combinations, and speculations of a miserable, swindling, soulless "Ring?"*

Will we stand by, and behold the country bleeding at every pore? Shall we not catch, and throttle, the "Vampyres" who suck the life blood of the people?

If this investigation shall prove the falsity of the charges against these men, I should be among the first to proclaim their innocence; but if they are found guilty of this high breach of trust, I shall be willing to vote a resolution of condemnation which would hand their names to posterity, branded as the most ignominious ingrates of the present age.

If gentlemen are in good faith, when they say they favor investigation, why not throw open the doors? Why not give full scope to this investigation? Why quibble about the technicalities of the law? Why refuse to send for a single witness, and continually proclaim that the investigation is a farce?

I tell gentlemen now, that this is but a commiting Court, we intend to prefer articles of impeachment before the great tribunal of public opinion in August next.

This Republican party, which was (said by the gentleman from Johnston) to have been "born amid a halo of glory" is bound to totter and fall to pieces—the glories of its triumphs will fade into disgustful oblivion, and an uprising and indignant people will hurl from power the miscreants who have sought to prey upon the vitals of a distressed and struggling people.

I am desirous to see our unfinished Roads completed—the destiny of the Western portion of the State depends upon the completion of these works. Yes, I long to see light pouring through the tunnel of Swannanoa Gap—and the grand line extended on to Duchtown and Paint Rock. I should delight to see the completion of the Atlantic, Tennessee & Ohio Road and all the others, in course of construction. But except we get more than thirty-one cents on the dollar we cannot build the Roads.

We must check the abuses in the management of these bonds—we must curtail their issue, and thereby restore the credit of the State, and obtain the confidence of the people. Our citizens are languishing for relief—they cry to us for help—shall we disregard their interest—shall we become recreant to the high trust with which we were entrusted?

Our people are opposed to repudiation, they do not wish the odium attached to this dilemma, but gentlemen must recollect that we may *compel* repudiation—we may continue these burdens, and the people for want of substance, and ability, will break down, in spirit, and then, repudiation and financial disaster, will be welcomed as a pleasant, last resort. But all this may be averted by an honest determination to defeat the designs of those who intend to destroy us.

Let parties, caucus, and political combinations be given to the four winds, and let honesty, truth and patriotism rule the hour.

THE SENTINEL.

CITY AND STATE ITEMS.

WEDNESDAY, DECEMBER 15, 1869.

☞ THEO. N. RAMSAY, as Business Clerk, is authorized to make contracts and give receipts, &c., &c.

New and interesting light and solid reading matter under the head of new advertisements, this morning. Please turn to and read.

ALARM OF FIRE.—Last night about 7 o'clock an alarm of fire was sounded in East Ward, founded on the fact that David Lewis's chimney had caught fire, which was soon conquered without damages.

CATHOLIC FAIR.—This festival opened on Monday night at Tucker Hall, and we learn there was a large number of persons present. The Hall was filled with tasty and beautiful articles, and those in attendance expressed themselves pleased and delighted with the entertainment.

The Fair was opened again last night and will continue open each evening during the week. There are a large number of articles, ornamental and useful, to be disposed of, and every evening refreshments of various kinds will be served to those who may desire them.

Any one wanting a good second hand saddle can get one, cheap, by applying at this office.

A SUPERIOR PEN.—We have received from Messrs. J. & S. Sanson, of Philadelphia, a sample of their Magnesium Pens, made from the metallic basis of Magnesium and the points hardened by some process which prevents corrosion. We have given them a trial, and so far, are ready, without hesitation, to pronounce them the best we have ever used. They are very highly recommended by a large number of Bank officers, Express Companies, Insurance Companies, Merchants and others.

Mr. Alfred Williams, Bookseller, of this city, through whom we received the sample alluded to, has been appointed sole agent for this State, and to him orders may be sent for large or small supplies.

JURY DISCHARGED.—His Honor, Judge Brooks, discharged the Grand Jury of his Court on Monday.

It is somewhat remarkable that there are but two sets of Jurors for this Court; one in and one out, alternately. Those just discharged will come in again term after next, and those of last term will be on hand for the next. At least this has been the case with but few exceptions, so far, and we presume it will continue. All accidental and incidental, of course.

SURELY A MISTAKE.—In the Senate, yesterday, when the resolution requiring the Public Auditor to move against delinquent Sheriffs at the special term of Wake Superior Court, on the 4th Monday of the present month, Mr. Respass, (Republican) said he had been informed by the Treasurer that the Sheriffs of two counties, Wake and New Hanover, were indebted to him at least $51,000 dollars—the Sheriff of Wake, alone, about $35,000. Now, there must be some mistake here. The people of Wake are not $35,000 behindhand in paying their taxes—never. And we are sure our Sheriff has not imperiled himself and his surities by keeping back taxes collected. There *must* be some mistake, and we call on Mr. Respass to "rise to a question of privilege" to-day and correct it.

With regard to the "fine horses and sporting carriages" that Mr. R. is throwing into the teeth of other Sheriffs, we know nothing; but about that $35,000 deficiency in Wake, there must be a mistake.

Brown's Bronchial Troches —From the Medical Director of the General Hospital, Boston Barracks, near St. Louis, March 8, 1862.

"Messrs. John I. Brown & Son, Boston, Mass. —Use of your far-famed and most serviceable "*Troches*" is being made in the hospital of which I have charge, and with very beneficial and decided results in allaying bronchial irritation." For Coughs and Colds the *Troches* give prompt relief.

dec 13-eod1w

U. S. COURT—*Tuesday*, Dec. 14.—Court met at 10 o'clock. The unfinished business of yesterday was resumed—case of Harvey Terry vs. the Bank of Wilmington—Gov. Bragg opened the argument, and was followed by Mr. R. H. Battle—juror withdrawn, plaintiff called and non-suit.

After disposing of several unimportant cases on the docket, the case of Josiah H. Askew, vs. Cyrus P. Mendenhall was called, Bryan and Battle and Jones for the Plaintiff, McLean and Merrimon for the Defendant. This case is an action of debt on a judgment taken in one of the Courts of Baltimore.

Pending the discussion of this case the Court took a recess until 4 P. M.

AFTERNOON SESSION.

Court met pursuant to adjournment, the unfinished business of the morning was taken up and discussed until a late hour of the evening—opinion reserved. The docket was then regularly called and many cases disposed of until the case of State of North Carolina to the use of Antonio Mirza vs. James Calloway and others was reached—which was continued until to-morrow. The Court then adjourned.

BOISTEROUS.—About 9 o'clock last night, our cogitations were thrown into utter confusion by the loud and boisterous cries of some human being alternately cursing and praying, in the direction of the rear end of the Court House. We went out to see what the matter was, and found it to be a countryman in the hands of two policemen, on his way to the lock-up, to keep him from running against something and hurting himself. He had come to town, finished his trading and sent his folks on home, while he remained to look at the sights through the bottom of a blue glass tumbler. He had looked several times and had gotten his ideas confused, hence his predicament.

Moral.—When you come to town and take a wee drap and then take another, wait awhile to see the effect, and don't crowd too many in too small a compass.

NORTH CAROLINA SPECIAL TAX BONDS.

We clip the following from the New York *Herald* of the 9th inst.:

The carpet-baggers appear to have got possession of these securities; for we hear of them in every out-of-the-way nook and corner. A large quantity, it is said, has been gambled away by one of the railway Presidents of the unfortunate State of North Carolina. These bonds were issued in aid of existing roads and to build new ones; but, instead of being delivered as was required by the exigencies of the work, were handed by the bushel basket to officers of the companies, who seem to be having a good time with them. They have sold them down to twenty-seven, and where they will stop remains to be seen. Had not the State better "stop" before it is too late? Where is the committee of investigation which was coming North to inquire about them?

In regard to the Committee the *Herald* inquires about, it is well known here why it was not sent, it would have found out too much, had it gone on to New York, and consequently, being a matter of life and death with certain Radicals, it was choked off and the resolution raising it rescinded under the caucus lash.

We are on the track of this gambling operation with fair prospect of "tracing the coon." The facts already in our possession are sufficient to establish the truth of the rumor, in our own mind, but we desire to set it beyond the possibility of a cavil, and then the people shall hear from it. Had the sub-Committee been allowed to go to New York, it would have facilitated the exposure of this affair, among others. But we'll have it yet.

What a pitiable state of affairs is depicted in the above paragraph! Our State bonds a subject of common ridicule, and our chief State officers a by-word for stupidity and mismanagement! Transparent and flimsey tricks resorted to, to cover up the rottenness and fraud which, however, they cannot hide!

A private letter says, "Governor Holden was a perfect Bull on 'Specials' while here—talked very strong for them," and Gen. Clingman was induced, by *some means*, to try to write them up, while all the world was laughing or hissing at the efforts to put life in the dead carcasses, because every body knew all that is hinted at in the above paragraph from the *Herald*.

THE ASHEVILLE PIONEER.

This little ripple of hebdominal journalism, up in the mountains, gives us the outcropping scintillations of its phosphorescent brain, in an article of a quarter column length, in its this week's issue. If we have ever so far lost sight of our self-respect and what was due our readers as to notice the dirty little 'forerunner,' we sincerely regret it. If our apparent obliviousness of the existence of the little thing has angered it, we beg its infernal pardon, and offer the present notice, which will probably be the last and only one we shall ever take of it, as a slight reparation of our former neglect.

By the way, how much were you paid Mr. Pioneer, for desisting from that investigation and exposition you threatened in regard to the Railroad "ring" rascality in your neighbor? You need not name the sum if you don't like, as it's entirely immaterial, being a waste of money at any sum.

No one has applied for that key yet.

Keep the Circulation Active.

A free and regular circulation of the blood is essential to health. It places the whole system in a state of active defence against all unwholesome influences, and is an especial safeguard against the inimical effect of sudden changes of temperature, and of damp and cold.

If proper attention were paid to this important fact, there would not only be a great decrease in the number of cases of stomach, bowel and renal complaints, but also in the number of deaths by consumption and other pulmonary diseases.

At this period of the year, when the dividing line which separates a genial from an inclement season has just been passed, a course of HOSTETTER'S STOMACH BITTERS will be found of invaluable service in improving the condition of the vital fluid and gently stimulating its flow. Violent coughs and colds like intermittent fever, are the frequent effects of a chilly atmosphere upon a debilitated organization. Diseases of the kidneys often proceed from the same source. How essential it is, therefore, for persons of feeble constitution, to invigorate the vital organization at the commencement of Winter. Fortified by warm clothing without, and HOSTETTER'S BITTERS within, the frail and delicate may brave with impunity an amount of exposure and hardship which under other circumstances, would prostrate them on a bed of sickness. Let them consider this and be wise in time.

dec 13-eod1w

THE BENCH AND THE PRESS.—We learn from the Tarboro' *North Carolinian* that Captain Biggs answered the rule for a contempt of Court growing out of an article in the local columns of the Tarboro' *Southerner*, of which paper Captain Biggs is editor-in-chief. His answer was that he published the article referred to as an editor, and not in the character of an attorney; that he had always respected the Bench, and paid His Honor on the Bench that respect due his position as a judicial officer, and that in penning the objectionable article he intended no contempt of Court, and as an attorney does not conceive that he committed a contempt.

Judge Jones ruled otherwise, and the rule debarring Captain Biggs from practicing in his Court was made perpetual.

Such is the record of one of the most high-handed and outrageous transactions ever perpetrated in the name and under the authority of law in North Carolina. A man who has brought contempt upon himself and his official position punishes a lawyer for an article in the paper of which he is the editor. He vainly attempts in the violent vindication of the dignity of the Bench to wipe out the recollection of the disgrace he has brought upon it.

"The freedom of the press, says the Declaration of Rights, "is one of the great bulwarks of liberty, and therefore ought never to be restrained." — *Wilmington Journal*

GOOD ADVICE.—At the installation of a Baptist minister, in Lower Canada, quite recently, the following advice was given to the congregation. The reverend speaker said: "Dear brethren, I suggest that you pray for your minister daily; guard his reputation carefully; hear him preach weekly; listen to the Word wakefully; labor with him pathetically, both individually and collectively; support the Sabbath school heartily; subscribe for him liberally; pay him promptly; give him a bit of meat and a ball of butter occasionally; call on him frequently, but tarry briefly; greet him cordially but not rudely—and may the God of all grace bless you abundantly, and add unto you daily such as shall be saved eternally.

A MAGNIFICENT

NORTH CAROLINA PLANTATION FOR SALE.

THE PLANTATION KNOWN AS "OAKLAND," (formerly the property of Dr. Samuel Kerr,) situated in Rowan County, N. C., on the Lincolnton Road, 11 miles from Salisbury, and about 6 miles from China Grove station on the North Carolina Railroad.

This Plantation is one of the most desirable in the state, and in its improvements unsurpassed. It contains 188½ Acres, one-half cleared; a large quantity of Meadow and Bottom Land, over 200 Acres under cover of a Mill Pond for fifty years. The residue is heavily timbered with splendid Oak and Hickory.

The Family Mansion contains Eleven Rooms; the Out-Buildings consists of Kitchen, Dairy, Ice-House, Smoke-House, Laborers' Houses, Barns, Stables and a Granary capable of accommodating from 15,000 to 20,000 bushels of Grain. In addition, about 150 yards from the house, is the Mill—Grist and Flour—with three runs of stone; and in its near vicinity, Miller's house, Gin house, Blacksmith shop, and Cotton Screw.

It is believed a Canal might be dug from the Creek, supplying the pond, to run the Mill, and the Land beneath, of extraordinary fertility, given to the cultivation of large quantities of Grain or even Rice. The Mill Building, resting on a story of rock foundation, has two stories and a half of brick above, with a well on the first story two feet thick, and could be converted into a factory. The Residence is well situated, and commands a fine water view.

Fully two-thirds, if not more, of the population of Rowan county is White.

Parties desiring to see the property can apply at Raleigh, N. C., to Mr. J. H. Rumis, at the North Carolina Bookstore; at Salisbury to Brown Mock & Co. H. H. Halyer, Esq., or Col H. J. Long, Express Office; at Charlotte, to Wm Phifer Esq., Dr. E. Nye Hutchinson.

FOR TERMS OF SALE, ETC., apply to Hon. J. H. Wilson, Charlotte, N. C.

DR. LAWRENCE'S

Highly Concentrated Compound

FLUID EXTRACT OF

Koskoo!

THE GREAT HEALTH RESTORER!

NOT A SECRET QUACK MEDICINE—FORMULA AROUND THE BOTTLE.

Prepared Solely by

J. J. LAWRENCE, M. D.

ORGANIC CHEMIST,

NORFOLK, VIRGINIA.

☞ Beware of Counterfeits. See that Dr. J. J. Lawrence, Chemist, Norfolk, Va., and the word KOSKOO, is BLOWN ON THE GLASS of each bottle. ☜

Koskoo is endorsed by the best physicians everywhere. Read the following from Dr. Tillery, a successful practitioner of many years standing in the Old North State:

Rocky Mount, Edgecombe Co., Sept. 10, 1869.

Dr. J. J. Lawrence—Dear Sir: I have used your Concentrated Fluid Extract of Koskoo in my practice with the *happiest* results. I find it to be a *powerful Liver Invigorator Blood Purifier* and *Nervous Tonic*. In all diseases of the *Liver, Scrofulous Syphilitic, Nervous Affections, it is a remedy of immense value*; in fact, in almost every variety of Chronic Disease its use is indicated. Hoping you may meet with the success which you deserve as a manufacturer of *reliable* medicines, I am sir, with much respect your obedient servant,

R. C. TILLERY, M. D.

From Dr. Fentress, an accomplished and experienced physician.

Princess Anne Court House, Va Sept. 13, 1869.

J. J. Lawrence, M. D.—Dear Sir: I have carefully examined the formula, as well as the therapeutic properties of your Koskoo compound, *and have prescribed it in some stubborn cases of Chronic Liver Affections Dyspepsia, General Debility, &c., and always with the most gratifying results*. I find it to be a splendid *Tonic Alterative, and Hepatic combination*, accomplishing its constitutional effects *without the slightest debility*; in fact *it gives fine support to the General system* while its alternative effects are being produced. *I cheerfully recommend its use to the public.* Yours, truly;

T. F. FENTRESS, M. D.

Koskoo cures Scrofula in its worst forms. From Mr. A. W. Mills, a prominent and well-known merchant of Norfolk, Va.:

No. 11, Main St., Norfolk, Va., Sept. 15, 1869.

Dr. Lawrence—Dear Sir: Your Koskoo has worked wonders in my family. My daughter has been a sufferer from scrofula since childhood. She lost thirty-one pieces of bone from her ankle, several from her arm, besides having ulcers in several parts of the body. Whilst in this condition she commenced taking your Koskoo—*it acted like a charm on her*—under its use the ulcers gradually healed, and her general health greatly improved. It certainly saved her much suffering, and perhaps her life. I regard Koskoo a *specific* for all scrofulous affections. Your Koskoo also cured my wife of dyspepsia, from which she suffered greatly. She is now in better health than she has been in five years.

With the highest regards, I am gratefully yours, &c., A. W. MILLS.

Koskoo, the Great Invigorator.—Read the following from the Rev. Joseph E. Martin, pastor of Wesley Chapel, Portsmouth Va.:

"This is to certify that myself and wife have used Dr. Lawrence's Koskoo, and can testify to its beneficial effects. Previous to taking it we were in a condition of debility—had no appetite, and suffered from sudden and often violent attacks of headache and nervousness. Two bottles of Koskoo has improved our general health, and we regard it as invaluable, and most cheerfully recommend it to all who have need of an *invigorator*. Yours, &c.,

JOSEPH E. MARTIN.

KOSKOO!

CURES CHRONIC RHEUMATISM.

Norfolk, Virginia, September 7, 1869.

Dr. J. J. Lawrence—Dear Sir: My son has received so much benefit from your wonderful Koskoo that I cannot refrain from expressing my gratitude. I had tried almost everything without benefit. I believe, in all sincerity, that your Koskoo is an Infallible Remedy for the disease from which he has suffered, and, so far as I can learn, has never failed. If you only knew the immense amount of suffering that he has undergone, then you could conceive the value of such a remedy as Koskoo—that surely cures. The great amount of good it is now doing among us is inestimable.

With much gratitude, I am respectfully yours, &c., MRS M. E. A. NELSON.

Dr. Lawrence—Dear Sir: Having been treated by several skilful physicians for Dyspepsia, Chronic Disease of Kidneys, General Debility, &c., without benefit, as a last resort I commenced the use of your Koskoo, and am pleased to say that under its use my health has been entirely restored.

I am, sir, with much respect your obedient servant, O. B. MEARS.

No. 5 Market St., Norfolk, Va., July 6, 1869.

Pacific, Franklin Co., N. C., Sept. 11, 1869.

This is to certify that for a long time I suffered very much from inaction of the liver and constipation of the bowels and tried several remedies, but received no benefit until I commenced taking Koskoo. I took the medicine about one month, and I was completely cured and have remained well. I know of several cures made by Koskoo, and can cordially recommend it as a good medicine. JOHN H. BAKER.

From Mr. Womble, a prominent hardware merchant of Norfolk:

No. 13 Market Square, Norfolk, Va., Oct. 23, 1869.

Dr. Lawrence.—Dear Sir: To the large number of testimonials which you offer of the great efficacy of your Koskoo, I take pleasure in adding my own. I suffered greatly with Nervous Debility, Headache, Loss of Appetite, &c. Two bottles of Koskoo restored me to health.

Yours, truly, J. G. WOMBLE.

From Rev. W. H. Christian, Pastor Dinwiddie Street Methodist Church:

Portsmouth, Va., October 25, 1869.

This is to certify that I know Dr. Lawrence well. He is a gentleman of cultivation, and worthy the fullest confidence. I have used his "Koskoo" with advantage to myself, and have adopted its use in my family in cases of nervous debility and depression.

W. H. CHRISTIAN.

☞ By reference to the accompanying lists of Text Books used in the Schools of North Carolina in 1855 and those adopted this year, it will be seen that, in nearly every important particular,

From Rev. C. H. Wiley formerly State Supt. of Education.

Bristol, Tenn., Oct. 14, 1869.—

I had seen by the papers what had been done by the Board of Education in North Carolina and was glad. I had ample reasons for my former recommendations in the use of the books in our schools.

These Books are Used by the Best Schools in the State.

Late Testimonials in Brief.

It affords me great pleasure to bestow on them my heartiest commendation. They are vastly superior to any other books of the kind I have yet seen.—W. H. Weathersby, Prin. Class. and Math. School, Elizabeth City, Oct. 25, 1869.

Send me ten Davies' Intellectual Arithmetics for introduction. They are superior to any I have seen.—W. F. Gilbert, Mount Olive, Oct. 20, 1869.

I intend using the same books in my school as those used in the Common Schools. * * I am already using Monteith's Geographies.—John D. Johnson, Yadkinville, Sept. 26, 1869.

I am and have ever been an earnest advocate of uniformity in school books. The Board recommendations—Arithmetics and Geographies—are the best that could have been made.—H. E. Smith, Lincolnton, Sept. 28th, 1869.

Because these books are adopted by the State Board, as well as for the merits of the books themselves, we wish to introduce them, and use them exclusively in our school.—Rev. S. C. Alexander, Charlotte, Oct. 11, 1869.

Steele's "Nat. Philosophy" received. Am struck with its superiority to the other in many respects. As a class is waiting, substitute in any order Steele's Philosophy for first introduction.—G. W. Jewett, Wilmington, Oct. 13, 1869.

Davies' Mathematics was adopted by me in 1856, and up to this time I have examined no work superior to them. I have examined McNally's Geography and Peck's Ganot's Natural Philosophy. I consider them most excellent works and shall put them into my boys' hands at the earliest period.—J. E. Dugger, Prin. Male Academy Warrenton.

It is my purpose to introduce Monteith's (No. 4) into my school. I give it the preference for the information which it gives on the subject of Physical Geography. The maps and questions in both works (Monteith and McNally) seem to me to be admirable.—Rev. Albert Smedes, D.D., Rector of St. Mary's, Raleigh.

The system of Geography—Montieth and McNally—I am well pleased with.—Rev. Wm S Lacy, Raleigh.

Davies' Arithmetics, Monteith's Geographies and the National Readers are too well known to require a word from me. Monteith and Davies are the best that I am acquainted with.—Prof. Frank Vaughan Elizabeth City, Oct. 11, 1869.

I have waited patiently for the adoption by the Board of Education of this State of the books to be used in the public schools, and am much pleased to find that so many have been selected from the National Series.—Rev. W. L. Miller, Charlotte, Oct. 1, 1869.

I am much pleased with both the Spellers and all the readers; and as to the Series of Geographies, I have long used no others when these could be obtained. Dr. Wm. B. Harrell, Prin. High School, Snow Hill.

The introduction of so much valuable matter on the subjects of Physical Geography and Geology, and in a form so simple and intelligible make it, (Monteith's Intermediate Geography) in my judgment, a charming school book.—Col. Wm Bingham, Prin. Bingham School.

I design introducing McNally's Geography and Davies' University Arithmetic.—Dr. Closs, Prin. Durham Academy.

Will introduce the University Arithmetic next term. An admirable work.—M. L. Little, Prin. Pleasant Hill Seminary, Newton.

Monteith's Geographies are excellent works, and I shall introduce them into my school.—Stephen Ivey, Prin. Auburn Academy.

The superior and durable style of binding of your works is a very great recommendation—one with which I have long been favorably impressed.—Prof. Wm. A. Obenchain, late Hillsboro' Military Academy.

I have introduced your National Series of Readers. We find them to be excellent, just suited to our purpose. With Davies' Mathematical series we have been long familiar, and can find no good reason for changing them. In the Primary Department we have Monteith's Geographies.—Rev. D. D. Barnhill, Tenn. Female Seminary, Mount Pleasant.

The National Series of Readers and Spellers are the best with which I am acquainted. I shall henceforth use no others in my school. I use Davies. I consider his works incomparably superior in many respects. Monteith's Series afford a gradual but thorough and systematic progression.—Prof. Jos. H. Fox, President Stantonsburg Scientific High School.

I regard Monteith's Physical and Intermediate Geography as one of the best books of its kind. It has several points of superiority over most primary Geographies; Geography is here treated from the only true and rational standpoint, viz: of Geology and Physical Geography.—Prof. W. C. Kerr, state Geologist of North Carolina.

Mr. Taylor Johnson Olive's Charts has introduced the National Readers, Monteith's Geographies, Davies Arithmetics, Clark's Grammars, etc.; Mr. John Franks, Grove P. O., has introduced the National Series throughout; Mr. W. A. Branch, New Hill P. O., uses the National Series throughout; Mr. Adolphus Rogers, Green Level P. O., uses the National Reader, Copy-Books, Monteith's Geographies, and York's Grammar; Mrs. Emma Bingham, Cary P. O., uses the National Series; Rev. H. C. Olive, New Hill P. O., introduced Monteith's Geographies. There are now at least 200 pupils in Wake and Chatham counties who are daily using the National series of books, within my knowledge.—Prof. W. H. Mabrey, Chatham county, Sept. 14, 1869.

I am glad to learn that some of your books are to be introduced into our State schools.—Prof. J. M. M. Caldwell, Greensboro' High School, Oct. 23, 1869.

Distinguished Editors and Critics Praise Them.

The Series must prove acceptable. The structure of language is beautifully exhibited.—Fayetteville *Presbyterian.*

This firm will allow no competition in the price of books published by them which are among the best in the state.—Statesville *American*, 1866.

Have a reputation for merit unsurpassed.—Statesville *American*, 1869.

Peculiarly adapted to supply the wants we have long felt.—Greensboro' *Patriot.*

Have acknowledged superiority by the most competent judges.—Western *Sentinel.*

Davies is excellent in the first degree.—Wadesboro *Argus.*

Are excelled by none of the many used, and they are superior to most of them.—Newbern *Journal of Commerce.*

When we examine the bright pages of the National Series, and think how we groped along the dry and uninteresting "task" of our boyhood, we are constrained to be envious of the happy pupils of the present.—Wilmington *Post.*

The National Series has attained probably a higher reputation than any other complete series of School Books now in existence.—Wilmington *Herald.*

Its ratio of expense to income is extremely low. This may be seen by reference to the Official Reports for 1868. For example:

Knickerbocker,	$16,81
Equitable,	17,44
North America,	21,16

The National,	63.48
The Ætna,	13,41

It has an IMPORTANT NEW FEATURE that has been copy-righted. According to this plan the rates are MUCH LOWER than in any other Company in the world.

Its ratio of Mortality is low. Its rates are very low. Its expenses are very low. Its dividends are large.

It insured more lives in the City of New York in 1868, than any other Company, except one. It issued more Policies in the United States than any other save one. It insured more lives in Canada than any other Company, British or American.

See what the HIGHEST INSURANCE AUTHORITY in this country says. In the June number of the *Insurance Times*, of New York, the following opinion was expressed:

**"If there is any great benefit in mutual association, any great advantage to be derived from scientific organization and a chartered source, tending to mitigate the sufferings, lessen the privations,
